

Did you know?

Over 61% of all passenger motor vehicles imported into Australia in 2004 were of Japanese origin

Of these Japanese vehicles, 43% had manual transmissions

EXEDY is the **largest supplier** of clutches fitted as Original Equipment in Japan (*supplying over 48% of passenger motor vehicles and over 98% of truck clutches OEM*)

EXEDY – the largest O.E. supplier of clutches used in Australia

Source: VFACTS data & EXEDY Corporation

EXEDY launches a new Website!

EXEDY Australia has launched a new website! The new-look site contains many new features, including:

- A comprehensive **Online Catalogue**, providing fast and accurate information on the largest range of clutch available in Australia. Listings include information on our Standard, Sports Tuff, Safari Tuff and EXEDY Racing Clutch ranges
- A useful **Support Page** containing our Tech Notes, as well as a new EDiagnose section, FAQ, and our popular Truck Tuff Selection Guide
- A **Products Page** providing information on our various high-quality product lines
- EXEDY Racing Clutch movies

Visit our new site at www.exedy.com.au
